*"Bowling for  
Columbine" did it to  
the gun culture.*

*"Super Size Me" did  
it to fast food.*

*Now "The God Who  
Wasn't There" does  
it to religion.*

**H**olding modern Christianity  
up to a bright spotlight, this  
bold and often hilarious  
new film asks the questions  
few dare to ask.

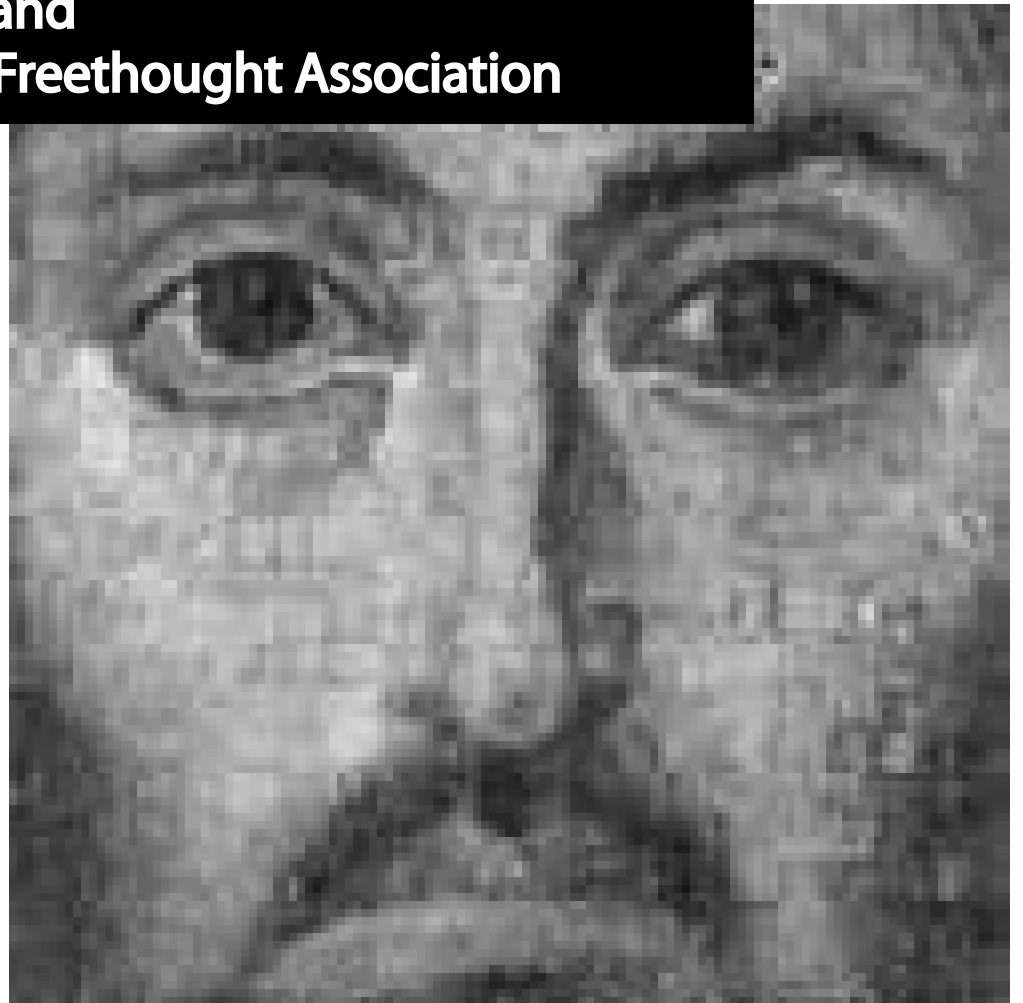

Did Jesus Exist?

This forbidden question is  
just the beginning for The  
God Who Wasn't There, a  
documentary that explores  
Christianity in a way that no  
movie has before.

This film may delight you or  
anger you. Perhaps it will do  
both. But you'll never look at  
Christianity the same again.

See the movie the Los Angeles  
Times calls "provocative - to  
put it mildly."

**Hold on to your faith.  
It's in for a bumpy ride.**
